STUDENT ID:

MAJOR:

CLASSIFICATION:  I have a 3.0+ G.P.A.: Yes or No

### STUDY ABROAD COURSE APPROVAL INFORMATION

PROGRAM PROVIDER:

TERM:

You are expected to take a full course load with a minimum of twelve (12) credit hours on the abroad program. **All courses must have a dean or a department chair's signature AND your academic advisor's overall approval for all of the Howard courses requested. Taking course abroad for pass/ fail is not an option.** It should be noted that courses indicated below may be changed upon arrival at the host institution. However, any changes to the approved courses must be approved (via e-mail) by your faculty member, dean, or department and submitted to the Study Abroad Office.

Please list the specific courses you plan to take overseas and the Howard equivalency and **at least two** alternate courses in the event your primary courses are unavailable upon arrival in country.

**If a study abroad course grants more than three credits, please review the “course contact hours” in the syllabus to determine whether you can request to earn credit for two HU courses worth 3 credits each. This is most often an option with language related course. Review the “course contact hours” or “classroom hours” for the course abroad and understand Howard courses follow this formula:**

**3 credits- 45 contact hours**

**6 credits- 90 contact hours**
